## Large Scale Questions? We Have The Answers!

The official internet home of  
Large Scale Railroading!!

- Free access to the forums for all users. We don't charge you to get in.
- The most active forums on the net!! More new relevant messages daily than all other large scale websites combined.
- Nearly 4000 registered members ranging from beginner to many years of experience! Members normally receive multiple answers to their question the same day!!
- Enter our monthly photo contest to win a \$50 gift certificate to Wholesaletrains.com!
- The best construction articles anywhere! Learn how to scratch build

locomotives like a Mason Bogie or a Mallet, rolling stock, and structures and even your own figures!

- By far the 'friendliest' site around!! Our members are always eager to welcome new participants!

**Your participation is key to enjoying  
Large Scale Trains even more!**

See what other G scale enthusiasts have  
to say about myLargescale.com

- Overall, I think MLS is the best thing that ever happened to this hobby..
- MLS has allowed me to make many new and fine friends
- I would be alone in the wilderness if wasn't for MLS.
- This is beyond any doubt the very best place to discover this wonderful hobby. I have met the best people here that I have met anywhere.
- I can't remember any one occasion when I haven't found what I am after, or some kind soul has dug it out for me.

- This is the friendliest meeting place for GRR types anywhere. The level of expertise available is incredible. Responses to questions are incredibly fast, detailed, and robust.
- The discount I received at Wholesaletrains.com by being a First Class member made my birthday purchases go farther.
- MLS is money well spent, especially with all the great people on here.
- The moderators really go out of their way to provide a wonderful site for us.
